**Subject:** Resolution Authorizing the Execution of a Master Development Agreement with RUDG, LLC (Related Urban) for the Redevelopment of the Joe Moretti Public Housing Development, Phase 2

## Recommendation

It is recommended that the Board of County Commissioners (Board):

- 1) Authorize the County Mayor or the County Mayor's designee to execute a Master Development Agreement with RUDG, LLC (Related Urban) or its subsidiaries or designees, subject to the United States Department of Housing and Urban Development's (Housing and Urban Development) approval, for the redevelopment of the remaining units of the Joe Moretti public housing site herein referred to as Joe Moretti Phase 2, consisting of one hundred and eighty-two (182) public housing units generally located at various scattered sites (535 SW 6 Avenue; 400 and 450 SW 5 Street; 445 and 801 SW 6 Street; 600 SW 4 Street; 600 SW 8 Avenue);
- 2) Authorize the County Mayor or the County Mayor's designee to execute all necessary mixed-finance agreements and all other necessary documents including but not limited to amendments, agreements, ground leases and amendments, subject to Housing and Urban Development approval;
- 3) Retroactively ratify the County Mayor or the County's Mayor's designee execution of the ground lease for Joe Moretti Phase 2A, and further authorize the County Mayor or the County Mayor's designee to execute a ground lease for Joe Moretti Phase 2B and to execute any additional ground leases that may be necessary to preserve Related Urban or its subsidiaries or designees' site control of the development;
- 4) Authorize the County Mayor or the County Mayor's designee to execute amendments to the Annual Contribution Contracts, which provides for the County's receipt of public housing subsidy, subject to the Housing and Urban Development's approval;
- 5) Authorize the County Mayor or the County Mayor's designee to submit a disposition and/or demolition application to Housing and Urban Development for Joe Moretti Phase 2;
- 6) Waive the requirements of Resolution No. R-130-06, which requires that all contracts must be fully negotiated and executed by a non-County party, since neither the County nor Related Urban can execute any mixed finance agreements, including but limited to the Master Development Agreement and the ground lease for Joe Moretti Phase 2B, without Housing and Urban Development's prior approval;
- 7) Waive the requirement of Resolution No. R-376-11 because the information is unavailable, and
- 8) Direct the County Mayor or the County Mayor's designee to provide the Property Appraiser with executed copies of the ground leases and operating agreements within thirty (30) days of their execution.

Related Urban contemplates development of Phase 2 in two sub-phases: Phase 2A and 2B.

**Phase 2A:** Consists of rehabilitating the existing ninety-six (96) public housing units at 535 SW 6 Avenue Miami, Florida.

**Phase 2B:** Consists of rehabilitation and/or redevelopment of six separate parcels containing a total of ninety-six (96) public housing units in twelve buildings, a senior center and corresponding parking lot located at 400 and 450 SW 5 Street; 445 and 801 SW 6 Street; 600 SW 4 Street; 600 SW 8 Avenue.

The Joe Moretti Phase 2 development is located in District 5, which is represented by Commissioner Bruno A. Barreiro.

**COUNTY FUNDING SOURCE/  
FISCAL IMPACT**

Fiscal impact to the County for Phase 2A will be \$1,190,091 in Surtax funds.

For Phase 2B, Related Urban will apply for Surtax funding in FY 2015 for rehabilitation and/or new construction projects. Determination of approval of this funding will be made at a later date and will be presented to the Board for its approval.

**TRACK RECORD/MONITORING:**

Jorge R. Cibran, AIA, Director of Facilities and Development Division for the Department.

**Background:**

Request for Proposals No. 794 was issued on July 14, 2011 to solicit offers from developers to maximize and expedite the development potential of over 100 existing public housing sites and vacant land sites administered by the Department. The solicitation sought to establish partnerships with qualified entities to rehabilitate/upgrade existing public housing units, remove and replace obsolete public housing units, increase the number of units on underutilized sites, develop vacant land owned by the County, and also incorporate commercial and other special purpose uses, where appropriate, at particular public housing sites or vacant land sites. Additionally, the Department sought to replace its older units with new contemporary designs that resemble market-rate units (regardless of whether these are public housing, affordable or market-rate units) and incorporate creative and sustainable design solutions.

On November 23, 2011, the Board, pursuant to Resolution No. R-1026-11, awarded site control through ground leases to six (6) developers for twenty-eight (28) project sites, including award of the Joe Moretti redevelopment to Related Urban. The County and Related Urban will work on additional mixed-finance

documents that are required by Housing and Urban Development. The ground lease for Joe Moretti Phase 2 expired on October 6, 2014. The County and Related Urban have executed a new ground lease for Phase 2A, a copy of which are attached to the resolution as Attachment B in order to ensure that site control of the development remains with Related Urban during the period that the County obtains final approval of the disposition of the development from Housing and Urban Development.

Related Urban completed Phase 1 of the Joe Moretti redevelopment, which included the construction of 116 new public housing units and demolition of the existing 96 units and corresponding site improvements. This memorandum is for Phase 2.

In order to proceed with the development of public housing sites, the County, as a public housing authority, must seek prior approval from Housing and Urban Development. This requires a disposition and/or demolition application to Housing and Urban Development for the development site. However, the County cannot submit its applications to Housing and Urban Development without first obtaining approval from the Board. Therefore, it is recommended that the Board approve the attached resolution authorizing the County Mayor or the County Mayor's designee to submit a disposition and/or demolition application to Housing and Urban Development for the Joe Moretti Phase 2 sites.

## 2. Nature of Agreement.

This Agreement sets forth the principal terms that have been agreed to by the parties concerning the Development (as defined below). It is anticipated that this Agreement will constitute the "Master Development Agreement" for the Development. The parties are executing this Agreement to establish the principal terms of the transaction in order to enable both parties to proceed with an understanding of their obligations and agreements with regard to the Development.

## 3. Development Feasibility and Structure.

- (a) Request for Proposals and Developer's Response. On July 14, 2011, the County

sought proposals under Request for Proposals No. 794 (the "RFP") for the Development from qualified housing developers. Developer submitted a response to the RFP and County selected Developer's proposal as the most qualified response to the RFP. The County hereby approves the designation of the Developer as the developer for the development of the Development, and as the County's "Partner," as described in 24 C.F.R. § 905.108, for the mixed-finance development of public housing units (as well as those other activities described herein), subject to and in accordance with the terms and conditions provided herein. The County also approves the further assignment of development rights to other phase-specific development entities which are affiliated with Developer for each phase, and upon such assignment, Developer's responsibilities hereunder will cease and be of no further effect, and such responsibilities will transfer to such other phase-specific entity.

The County and Joe Moretti Phase One Developer, LLC previously entered into a separate Master Development Agreement dated January 9, 2013 pursuant to which the County ground leased a portion of Joe Moretti to Joe Moretti Preservation Phase One, LLC with respect to the construction of a one hundred sixteen unit building and the demolition of an existing ninety six unit building thereon. The scope of activities described therein is separate and distinct from the scope of activities described in the original Agreement.

- (b) Development Overview. The Parties hereby agree that the first phase ("Phase 2A") of the Development shall be a mixed finance development, consisting of the rehabilitation of ninety-six (96) public housing units in twelve, eight unit buildings located at 535 SW 6 Avenue, Miami, FL in a rental phase owned by the Owner Entity (as hereinafter defined). All units shall continue to be set aside as 'public housing', as that term is defined in the U.S. Housing Act of 1937 (the "PHA-Assisted Units"), and will be operated and maintained as qualified Low Income Housing Tax Credit ("LIHTC") Units under Section 42 of the Internal Revenue Code of 1986 ("Section 42"), as amended, for a period of not less than the Tax Credit Compliance Period and any applicable extended use period (as such term is defined in Section 42 and required by the Florida Housing Finance Corporation ("FHFC")).

The second phase of the Development ("Phase 2B") will consist of the scattered site rehabilitation and/or redevelopment of six (6) separate parcels containing a total of ninety-six (96) public housing units in twelve buildings, a senior center and a parking lot located at 400 SW 5 Street, Miami, FL, 450 SW 5 Street, Miami, FL, 445 SW 6 Street, Miami, FL, 600 SW 4 Street, Miami, FL, 600 SW 8 Ave, Miami, FL and 801 SW 6 Street, Miami, FL in one or more rental phases owned by an Owner Entity.

The scope of work is attached hereto for the First Phase as Exhibit A-1 (hereinafter referred to as the "Scope of Work"). A development budget is attached hereto as Exhibit B (hereinafter referred to as the "Redevelopment Budget"). A development schedule is attached hereto as Exhibit C (hereinafter referred to as the "Redevelopment Schedule"). A description of the unit types, sizes and targeted income levels (the "Unit Mix") is attached as Exhibit D. A list of key development team members is

attached as Exhibit H. As development proceeds, the parties mutually agree to supplement such exhibits with a more refined budget and other development information containing achievable sources, which budget shall be tied to a redevelopment and/or rehabilitation schedule and realistic timeframes for securing development sources. Developer will submit proposed updates to the Redevelopment Plan which shall include the Scope of Work, the Redevelopment Schedule, the Redevelopment Budget and the Unit Mix for the County's review and comment, and Developer shall be required to obtain County's approval, such approval not to be unreasonably withheld, with respect to "Material Changes" and as changes become necessary. After County provides County's approval of Redevelopment Plan, any other changes, other than material changes, shall be deemed effective upon the Partner's providing to the County notice of said change. Subject to the preceding sentence, the following shall be considered "Material Changes":

- i. Changes to the Unit Mix;
- ii. An increase in the Redevelopment Budget by more than 10%; or
- iii. Changes to the Redevelopment Schedule that delay completion or lease-up by more than ninety (90) calendar days.

References to the Development in this Agreement shall generally refer to Phase 2A. Nevertheless, Developer's responses to the RFP contemplates the comprehensive revitalization of the portions of Joe Moretti that are described in subsection (b) and (c) of this Section 3. The County and Developer acknowledge and agree that all phases will require County and HUD approval of the same and may also require the release of certain excess property that is encumbered by the Ground Lease.

While this Agreement contemplates the overall revitalization of the Development, the County and Developer acknowledge that the specific development activities subsequent to Phase 2A will require various approvals, some of which may be from the Board of County Commissioners and HUD, and the parties will work together to obtain those necessary approvals, but the County confirms its acceptance of the general terms of the above-described responses to the RFP and the scope described herein. Furthermore, the County and Developer acknowledge and agree that while a Ground Lease has been entered into by and between the County and Joe Moretti Phase Two, LLC to reflect the site control granted to Developer's affiliates with respect to Phase 2A and Phase 2B, this comprehensive rehabilitation and/or redevelopment effort is likely to occur in multiple phases and the County will enter into various ground leases with various affiliates of Developer with respect to each of the various phases that collectively comprise the Development. Additionally, the County will enter into various ground leases for site control purposes with owner entities to satisfy applicable funding application requirements.

- (c) Ownership Entities for Rental Phase and Selection of Investor. The Developer has formed Joe Moretti Phase Two, LLC (the "Owner Entity") to own the Development.

The Owner Entity will have a managing member that will be a limited liability company controlled by the Developer. The principal equity interest in the Owner Entity will be owned by a low income housing tax credit investor that is selected by the Developer in its sole discretion.

The County agrees to take all reasonably necessary action to assist Developer in obtaining all requisite HUD approvals to utilize Developer's affiliated general contractor. The Developer will form similarly structured owner entities for all subsequent phases.

In cases where the unit mix includes ACC units, as well as affordable and/or market rate units, the ACC units shall be considered "fixed" and not "floating," and identified as such in the HUD PIC website.

Notwithstanding the foregoing set forth in Section 3 (a) through (i), this Agreement and the parties' obligations hereunder are contingent upon the final approval of this Agreement by the Board, which shall be within the Board's sole discretion. If the Board, in its sole discretion, does not approve of the Agreement, this Agreement shall be null and void.

#### 4. **Redevelopment Responsibilities.**

- (a) Developer Responsibilities: As more specifically set forth herein, Developer shall be responsible for development services in connection with the new construction work and/or rehabilitation in Phase 2A and Phase 2B. The Developer shall be responsible to manage and maintain the continued occupancy of any phase of the Development when such site is disposed of to the Developer (or earlier if agreed to by the parties), as well as carrying out all other work for which Developer is responsible, as such responsibilities are detailed in this Agreement. The actual services delivered shall include all development services reasonably required to complete the construction of the Development and, except as otherwise provided herein, to cause each Owner Entity to facilitate the construction of the Development, including, but not limited to:
- i. establishing phasing and timetables, structuring and securing financing and obtaining necessary city and county approvals, and hiring a general contractor or construction manager. Not less than twenty (20) calendar days prior to submission of any funding applications, the Developer shall submit to County for approval a complete draft Development Plan including Scope of Work, Redevelopment Budget, Redevelopment Schedule and unit mix. The County shall approve each phase of the Development Plan
  - ii. providing financing to the project and identifying and securing additional financing as; completing funding applications for available local, state, and federal funding for demolition environmental remediation, New Construction, Community and Supportive Services, resident job training and apprenticeship programs, Section 3 requirements, etc., as mutually agreed

upon by the County and the Developer

- iii. providing all required third-party guarantees including investor and completion guarantees;

When Change Orders involve time extensions, the Developer and its consultants shall also carefully review and confirm that these are appropriate and shall minimize wherever possible time extensions. Time extension reviews shall include an evaluation of the critical path analysis to confirm whether the time extension has impacted the Critical Path.

- xviii. Consultant Coordination - Developer shall carefully review and coordinate the work of its consultants to minimize architect/engineer errors and omissions, and minimize any change orders, including additional costs and time extensions on the project. The County shall not approve additional costs/fees for A/E errors and omissions or any other costs/fees related to conditions which could have reasonably been discovered or should have been discovered with appropriate due diligence by the developer and/or its consultants, contractors or other vendors.

HUD Disposition approval requirements - The approval requires that the disposition documents include a clause stipulating that if Developer fails to develop and operate the property as outlined in the disposition application for at least [40 years for the ACC units and 30 years for non-ACC unit,] the lease will terminate. The evidentiary documents are subject to the review and approval of the HUD Miami HUB (and Field Counsel) and should contain the following provisions:

- (e) Final payment shall not be made to the Developer until the Developer has resolved all pending Davis-Bacon wage rate compliance issues and restitution is

made (or placed in escrow for unfound workers) to all workers determined by PHCD to be underpaid. At a minimum, an amount equal to the cost of all pending Davis-Bacon non-compliance issues shall be retained until such issues are resolved to PHCD's satisfaction.

  - ii. Any vacancies to PHA-Assisted Units not filled by Existing Residents (either at initial occupancy or thereafter) will be filled by applicants who are referred from the County's waiting list, subject to screening by the Management Agent for low-income housing tax credit compliance. The parties agree that a site-based waiting list will not be used. The parties acknowledge and agree that the County's Admissions and Continued Occupancy Policy will be revised, as

The County reserves the right to terminate this Agreement, in whole or in part, at any time for the convenience of the County, if the County shall determine in good faith that it is infeasible, in the County's best interest, or contrary to that interest to proceed with the Development. In the event of a termination for convenience under this Agreement, the County shall deliver to the Developer a Notice of Termination within thirty (30) days specifying the extent to which the performance of the work under this Agreement is terminated, and the date upon which such termination becomes effective. If the performance of the work under this Agreement is terminated in whole or in part, the County shall be liable to the Developer for reasonable and proper construction related costs only resulting from such termination, and shall not include any costs (direct or indirect) related to applications for funding/financing, and/or preparation of development strategies, and/or similar expenses. Within thirty (30) days of receipt of the Notice of Termination, the Developer shall present a proper claim setting out in detail: (i) the total cost of all third-party costs incurred to date of termination including architectural, engineering, and similar types of costs, and also including any loans from third parties; (ii) the cost (including reasonable profit) of settling and paying claims under subcontracts and material orders for work performed and materials and supplies delivered to the site, or for settling other liabilities of Developer incurred in performance of its obligations hereunder; (iii) the cost of preserving and protecting the work already performed until the County or its assignee takes possession thereof or assumes responsibility and (iv) compensation to Developer for all tasks performed to date equal to thirty percent (30%) of projected developer fee if applicable financing has been secured. Within ninety (90) days of receipt of the claim from the Developer, the County shall either respond to the Developer's claim or make a final payment to the Developer in the event there is

no dispute relative to Claim. Furthermore, the Developer may terminate this Agreement for infeasibility, but only to the extent the Developer first made good faith efforts to pursue an alternative course of action, and in such event, shall be limited to reimbursement for those costs as set forth in (i)-(iv) of this Article 8(a). In an event of a dispute regarding the claim, the parties hereto shall avail themselves of the dispute resolution process more fully described in Exhibit F, Paragraph I.

Either Party may terminate this Agreement for cause, at any time, on the giving of notice to the other party of the grounds asserted for such termination and failure of the other Party to cure such grounds within thirty (30) days from receipt of such notice ("Termination for Cause"). Notwithstanding anything to the contrary contained herein, suspension from participation in any government programs, which suspensions, for the purposes hereof, are defined to include but not be limited to any sanctions imposed by HUD pursuant to 24 C.F.R. Part 24, shall be grounds for termination of this Agreement for cause without opportunity for cure. By execution of this Agreement, Developer hereby certifies to the County that it is not suspended, debarred or otherwise prohibited from participation in any government programs.

In the event of a termination of this Agreement by the County or the Developer which is determined to constitute a breach hereof by the County or the Developer, the party in breach shall be liable to the non-breaching party in accordance with applicable law for all actual damages caused thereby.

- (c) Fraud, Misrepresentation or Material Misstatement. The County may terminate this Agreement if Developer attempts to meet its contractual obligations hereunder with the County through fraud, misrepresentation or material misstatement.
- (d) Debarment. The foregoing notwithstanding, any individual, corporation or other entity that attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be debarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Developer may be subject to debarment for those reasons set forth in Section 10-38 of the County Code.
- (e) Remedies. In the event that the County exercises its right to terminate this Agreement following an Event of Default, the Developer shall, upon receipt of such notice, unless otherwise directed by the County:
- i. Stop work on the date specified in the notice (the "Effective Termination Date");
  - ii. Take such actions as may be necessary for the protection and preservation of the County's materials and property;

  - v. Take no voluntary action (unless otherwise required by legal obligations) which will increase the amounts payable by the County under this Agreement.
- (f) Developer Shall Deliver Work Product in Event of Termination. In the event that this Agreement is terminated under this Article 6, Developer agrees that it shall promptly deliver to County, or cause to be delivered to County, any concrete, transferable, and useable third party work product generated in connection with the Development, and will assign to County all of its right, title, and interest to such work product, without reservation in exchange for County's payment of funds paid by Developer (including funds borrowed from third parties) for such work product, along with amounts due to the Developer hereunder. Developer shall be under no obligation to deliver any work product in its possession unless the County shall have reimbursed it for the cost thereof (and paid to the Developer any other amounts due hereunder) or shall have agreed to offset the cost thereof against any indebtedness owing from the Developer to the County.
- (g) Automatic Termination. This Agreement shall automatically terminate at no cost to the County if:
- 1. The Developer is unable to secure funding and financing consistent with an approved Redevelopment Plan with terms and conditions (including payments to the County) acceptable to the County for the first phase (Phase 2A) of development within twenty-four (24) months of execution of this Agreement.
  - 2. The Developer is unable to secure funding and financing consistent with an approved Redevelopment Plan with terms and conditions (including payments to the County) acceptable to the County for the second phase (Phase 2B) within forty-eight (48) months of execution of this Agreement. Notwithstanding the Developer's inability to securing funding and financing for Phase 2B, the Developer shall be obligated to comply with the terms and conditions of this Agreement as it relates solely to Phase 2A.

The County, at its sole discretion, may grant extensions to the Developer to secure funding and financing for any of the phases for good cause. Upon termination of this Agreement, the Developer shall have no further development rights to the undeveloped portion(s) of the site(s) under this Agreement, the Ground Lease Agreement or any other agreements. The Developer and the

County shall coordinate and execute appropriate agreements, contracts or other applicable documents to return the undeveloped portions of the site to the County.

Notwithstanding the foregoing, failure to achieve financing shall not be deemed an "Event of Default" hereunder.

**9. Event of Default.**

- (a) An Event of Default shall mean a breach of this Agreement by the Developer after expiration of any applicable notice and cure period without such cure. Without limiting the generality of the foregoing, and in addition to those instances referred to herein as a breach, an Event of Default shall include, but not limited to, the following:

1. The first step in the process of identifying a problem is to define the problem. This involves identifying the symptoms of the problem and determining the scope of the problem. Once the problem has been defined, the next step is to identify the causes of the problem. This involves identifying the factors that are contributing to the problem and determining the underlying causes of the problem. Once the causes of the problem have been identified, the next step is to develop a plan to address the problem. This involves identifying the actions that need to be taken to address the problem and determining the resources that will be needed to implement the plan. Once a plan has been developed, the next step is to implement the plan. This involves carrying out the actions that have been identified in the plan and monitoring the progress of the plan. Finally, the last step in the process is to evaluate the results of the plan. This involves determining whether the plan has been successful in addressing the problem and identifying any lessons learned from the process.

Conduct of Work

**1. Disputes**

- (a) "Claim," as used in this clause, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to the contract. A claim arising under the contract, unlike a claim relating to the contract, is a claim that can be resolved under a contract clause that provides for the relief sought by the claimant. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim. The submission may be converted to a claim by complying with the requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.
- (b) Except for disputes arising under the clauses entitled *Labor Standards and Labor Standards- Nonroutine Maintenance*, herein, all disputes arising under or relating to this contract, including any claims for damages for the alleged breach thereof which are not disposed of by agreement, shall be resolved under this clause.
- (c) All claims by the Developer shall be made in writing and submitted to the Contracting Officer for a written decision. A claim by the County against the Developer shall be subject to a written decision by the Contracting Officer.
- (d) County shall be the "Contracting Officer." The Contracting Officer shall, within 60 (unless otherwise indicated) days after receipt of the request, decide the claim or notify the Developer of the date by which the decision will be made.
- (e) The Contracting Officer's decision shall be final unless the Developer (1) appeals in writing to a higher level in the County in accordance with the County's policy and procedures, (2) refers the appeal to an independent mediator or arbitrator, or (3) files suit in a court of competent jurisdiction. Such appeal must be made within (30 unless otherwise indicated) days after receipt of the Contracting Officer's decision.
- (f) The Developer shall proceed diligently with performance of this contract,

pending final resolution of any request for relief, claim, appeal, or action arising under or relating to the contract, and comply with any decision of the Contracting Officer.

## **2. Lead-Based Paint**

The Developer shall comply with the requirements concerning lead-based painted contained in the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821-4846) as implemented by 24 C.F.R. Part 35.

## **3. Health, Safety, and Accident Prevention**

- (a) In performing this contract, the Developer shall:
  - i. Ensure that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his/her health and/or safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation;
  - ii. Protect the lives, health, and safety of other persons;
  - iii. Prevent damage to property, materials, supplies, and equipment; and
  - iv. Avoid work interruptions.
- (b) For these purposes, the Developer shall:
  - i. Comply with regulations and standards issued by the Secretary of Labor at 29 C.F.R. Part 1926. Failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act (Public Law 91-54, 83 Stat. 96), 40 U.S.C. § 3701 et seq.; and
  - ii. Include the terms of this clause in every subcontract so that such terms will be binding on each subcontractor.
- (c) The Developer shall maintain an accurate record of exposure data on all accidents incident to work performed under this contract resulting in death, traumatic injury, occupational disease, or damage to property, materials, supplies, or equipment, and shall report this data in the manner prescribed by 29 C.F.R. Part 1904.
- (d) The Contracting Officer shall notify the Developer of any noncompliance with these requirements and of the corrective action required. This notice, when delivered to the Developer or the Developer's representative at the site of the work, shall be deemed sufficient notice of the noncompliance and corrective

action required. After receiving the notice, the Developer shall immediately take corrective action (unless Developer disputes the notification in accordance with Section 1). If the Developer fails or refuses to take corrective action promptly, the Contracting Officer may issue an order stopping all or part of the work until satisfactory corrective action has been taken. The Developer shall not base any claim or request for equitable adjustment for additional time or money on any stop order issued under these circumstances.

- (e) The Developer shall be responsible for its subcontractors' compliance with the provisions of this clause. The Developer shall take such action with respect to any subcontract as Miami-Dade County (the "County"), the Secretary of Housing and Urban Development, or the Secretary of Labor shall direct as a means of enforcing such provisions.

#### **4. Royalties and Patents**

The Developer shall pay all royalties and license fees. It shall defend all suits or claims for infringement of any patent rights and shall save the County harmless from loss on account thereof; except that the County shall be responsible for all such loss when a particular design, process or the product of a particular manufacturer or manufacturers is specified and the Developer has no reason to believe that the specified design, process, or product is an infringement. If, however, the Developer has reason to believe that any design, process or product specified is an infringement of a patent, the Developer shall promptly notify the Contracting Officer. Failure to give such notice shall make the Developer responsible for resultant loss.

#### **5. Clean Air and Water**

The contractor shall comply with the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq., the Federal Water Pollution Control Water Act, as amended, 33 U.S.C. § 1251 et seq., and standards issued pursuant thereto in the facilities in which this contract is to be performed.

#### **6. Energy Efficiency**

The Developer shall comply with mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94-163) for the State in which the work under the contract is performed.

#### **7. Subcontracts**

- (a) Definitions. As used in this contract:

- i. "Subcontract" means any contract, purchase order, or other purchase agreement, including modifications and change orders to the foregoing, entered into by a subcontractor to furnish supplies, materials, equipment, and services for the performance of the prime contract or a subcontract.

- ii. "Subcontractor" means any supplier, vendor, or firm that furnishes supplies, materials, equipment, or services to or for the Developer or another subcontractor.
- (b) The Developer shall not enter into any subcontract with any subcontractor who has been temporarily denied participation in a HUD program or who has been suspended or debarred from participating in contracting programs by any agency of the United States Government or of the state in which the work under this contract is to be performed.
- (c) The Developer shall be as fully responsible for the acts or omissions of its subcontractors, and of persons either directly or indirectly employed by them as for the acts or omissions of persons directly employed by the Developer.
- (d) The Developer shall insert appropriate clauses in all subcontracts to bind subcontractors to the terms and conditions of this contract insofar as they are applicable to the work of subcontractors.
- (e) Nothing contained in this contract shall create any contractual relationship between any subcontractor and the County or between the subcontractor and HUD.

**8. Subcontracting with Small and Minority Firms, Women's Business Enterprise, and Labor Surplus Area Firms.**

The Developer shall take the following steps to ensure that, whenever possible, subcontracts are awarded to small business firms, minority firms, women's business enterprises, and labor surplus area firms:

- (a) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (b) Ensuring that small and minority businesses and women's business enterprises are solicited whenever they are potential sources;
- (c) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses and women's business enterprises;
- (d) Establishing delivery schedules, where the requirements of the contract permit, which encourage participation by small and minority businesses and women's business enterprises; and
- (e) Using the services and assistance of the U.S. Small Business Administration, the Minority Business Development Agency of the U.S. Department of Commerce, and State and local governmental small business agencies.

**9. Equal Employment Opportunity.**

During the performance of this contract, the Developer agrees as follows:

- (a) The Developer shall not discriminate against any employee or applicant for employment because of race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, or sexual orientation or gender identity and expression.
- (b) The Developer shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, or sexual orientation or gender identity and expression. Such action shall include, but not be limited to, (1) employment, (2) upgrading, (3) demotion, (4) transfer, (5) recruitment or recruitment advertising, (6) layoff or termination, (7) rates of pay or other forms of compensation, and (8) selection for training, including apprenticeship.
- (c) The Developer shall post in conspicuous places available to employees and applicants for employment the notices to be provided by the Contracting Officer that explain this clause.
- (d) The Developer shall, in all solicitations or advertisements for employees placed by or on behalf of the Developer, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, ancestry, national origin, sex, pregnancy, age, disability, marital status, familial status, or sexual orientation or gender identity and expression.
- (e) The Developer shall send, to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, the notice to be provided by the Contracting Officer advising the labor union or workers' representative of the Developer's commitments under this clause, and post copies of the notice in conspicuous places available to employees and applicants for employment.
- (f) The Developer shall comply with Executive Order 11246, as amended, and the rules, regulations, and orders of the Secretary of Labor.
- (g) The Developer shall furnish all information and reports required by Executive Order 11246, as amended, Section 503 of the Rehabilitation Act of 1973, as amended, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto. The Developer shall permit access to its books, records, and accounts by the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (h) In the event of a determination that the Developer is not in compliance with this clause or any rule, regulation, or order of the Secretary of Labor, this contract

may be canceled, terminated, or suspended in whole or in part, and the Developer may be declared ineligible for further Government contracts, or Federally assisted construction contracts under the procedures authorized in Executive Order 11246, as amended. In addition, sanctions may be imposed and remedies invoked against the Developer as provided in Executive Order 11246, as amended, the rules, regulations, and orders of the Secretary of Labor, or as otherwise provided by law.

- (i) The Developer shall include the terms and conditions of this clause in every subcontract or purchase order unless exempted by the rules, regulations, or orders of the Secretary of Labor issued under Executive Order 11246, as amended, so that these terms and conditions will be binding upon each subcontractor or vendor. The Developer shall take such action with respect to any subcontract or purchase order as the Secretary of Housing and Urban Development or the Secretary of Labor may direct as a means of enforcing such provisions, including sanctions for noncompliance; provided that if the Developer becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the Developer may request the United States to enter into the litigation to protect the interests of the United States.
- (j) Compliance with the requirements of this clause shall be to the maximum extent consistent with, but not in derogation of, compliance with section 7(b) of the Indian Self-Determination and Education Assistance Act and the Indian Preference clause of this contract.

**10. Employment, Training, and Contracting Opportunities for Low-Income Persons,  
Section 3 of the Housing and Urban Development Act of 1968.**

- (a) The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. § 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- (b) The parties to this contract agree to comply with HUD's regulations in 24 C.F.R. Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- (c) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers'

representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- (d) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 C.F.R. Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 C.F.R. Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 C.F.R. Part 135.
- (e) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 C.F.R. Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 C.F.R. Part 135.
- (f) Noncompliance with HUD's regulations in 24 C.F.R. Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- (g) With respect to work performed in connection with Section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. § 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of Section 3 and section 7(b) agree to comply with Section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

**11. Limitations on Payments made to Influence Certain Federal Financial Transactions.**

- (a) The Developer agrees to comply with Section 1352 of Title 31, United States Code which prohibits the use of Federal appropriated funds to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, and officer or employee of Congress, or an employee of

a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract; the making of any Federal grant; the making of any Federal loan; the entering into of any cooperative agreement; or the modification of any Federal contract, grant, loan, or cooperative agreement.

- (b) The Developer further agrees to comply with the requirement of the Act to furnish a disclosure (OMB Standard Form LLL, Disclosure of Lobbying Activities) if any funds other than Federal appropriated funds (including profit or fee received under a covered Federal transaction) have been paid, or will be paid, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a Federal contract, grant, loan, or cooperative agreement.

## **12. Examination and Retention of Developer's Records**

- (a) The County, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Developer's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.
- (b) The Developer agrees to include in first-tier subcontracts under this contract a clause substantially the same as paragraph (a) above. "Subcontract," as used in this clause, excludes purchase orders not exceeding \$10,000.
- (c) The periods of access and examination in paragraphs (a) and (b) above for records relating to (1) appeals under the Disputes clause of this contract, (2) litigation or settlement of claims arising from the performance of this contract, or (3) costs and expenses of this contract to which the County, HUD, or Comptroller General or any of their duly authorized representatives has taken exception shall continue until disposition of such appeals, litigation, claims, or exceptions.
- (d) Lunches, dinners, etc. are not acceptable reimbursable expenses.
- (e) Acceptable reimbursable expenses are defined as:
- (f) Payments to Developer shall be based on services rendered/work completed, not costs incurred for deposits/retainers.

## **13. Labor Standards - Davis-Bacon and Related Acts.**

If the total amount of this contract exceeds \$2,000, the Federal labor standards set forth in the clause below shall apply to the development or construction work to be performed under the contract.

(a) Minimum Wages.

- i. All laborers and mechanics employed under this contract in the development or construction of the project(s) involved will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 C.F.R. Part 3)), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Developer and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 C.F.R. § 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the regular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits in the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 C.F.R. § 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; provided, that the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 C.F.R. § 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the Developer and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.
- ii. Any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when all the following criteria have been met: (A) The work to be performed by the classification requested is not performed by a classification in the wage determination; and (B) The classification is utilized in the area by the construction industry; and (C) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.
- iii. If the Developer and the laborers and mechanics to be employed in the classification (if known); or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for

fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employee Standards Administration, U.S. Department of Labor, Washington, DC 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.

- iv. In the event the Developer, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator of the Wage and Hour Division for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary.
  - v. The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (a)(2)(ii) or (iii) of this clause shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in classification.
  - vi. Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the Developer shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.
  - vii. If the Developer does not make payments to a trustee or other third person, the Developer may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program; provided, that the Secretary of Labor has found, upon the written request of the Developer, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the Developer to set aside in a separate account assets for the meeting of obligations under the plan or program.
- (b) Withholding of funds. HUD or its designee shall, upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the Developer under this contract or any other Federal contract with the same prime Developer, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime Developer, so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics,

including apprentices, trainees, and helpers, employed by the Developer or any subcontractor the full amount of wages required by the contract. In the event of failure to pay any laborer or mechanic, including any apprentice, trainee, or helper, employed or working in the construction or development of the project, all or part of the wages required by the contract, HUD or its designee may, after written notice to the Developer, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the Developer, disburse such amounts withheld for and on account of the Developer or subcontractor to the respective employees to whom they are due.

(c) Payrolls and basic records.

- i. Payrolls and basic records relating thereto shall be maintained by the Developer during the course of the work and preserved for a period of three years thereafter for all laborers and mechanics working in the construction or development of the project. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made, and actual wages paid. Whenever the Secretary of Labor has found, under 29 C.F.R. § 5.5(a)(1)(iv), that the wages of any laborer or mechanic include the amount of costs reasonably anticipated in providing benefits under a plan or program described in section 1(b)(2)(B) of the Davis-Bacon Act, the Developer shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Developers employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs.
- ii. The Developer shall submit weekly for each week in which any contract work is performed a copy of all payrolls to the Contracting Officer for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under subparagraph (c)(1) of this clause. This information may be submitted in any form desired. Optional Form WH-347 (Federal Stock Number 029-005-00014-1) is available for this purpose and may be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. The Developer is responsible for the submission of copies of payrolls by all subcontractors. (Approved by the Office of Management and

Budget under OMB Control Number 1214-0149.)

- iii. Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the Developer or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:
    - (1) That the payroll for the payroll period contains the information required to be maintained under paragraph (c) (1) of this clause and that such information is correct and complete;
    - (2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 C.F.R. Part 3; and
    - (3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.
  - iv. The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirements for submission of the "Statement of Compliance" required by subparagraph (c)(2)(ii) of this clause.
  - v. The falsification of any of the above certifications may subject the Developer or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 3729 of Title 31 of the United States Code.
  - vi. The Developer or subcontractor shall make the records required under subparagraph (c)(1) available for inspection, copying, or transcription by authorized representatives of HUD or its designee, the Contracting Officer, or the Department of Labor and shall permit such representatives to interview employees during working hours on the job. If the Developer or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the Developer, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 C.F.R. § 5.12.
- (d) Apprentices.
- i. Apprentices will be permitted to work at less than the predetermined rate for

the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship and Training, Employer and Labor Services (OATELS), or with a State Apprenticeship Agency recognized by OATELS, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by OATELS or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the Developer as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated in this paragraph, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the Developer's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator of the Wage and Hour Division determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event OATELS, or a State Apprenticeship Agency recognized by OATELS, withdraws approval of an apprenticeship program, the Developer will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

- ii. Trainees. Except as provided in 29 C.F.R. § 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training

Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed in the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate in the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by the Employment and Training Administration shall be paid not less than the applicable wage rate in the wage determination for the classification of work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate in the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the Developer will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

- iii. Equal employment opportunity. The utilization of apprentices, trainees, and journeymen under this clause shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 C.F.R. Part 30.
- (e) Compliance with Copeland Act requirements. The Developer shall comply with the requirements of 29 C.F.R. Part 3, which are hereby incorporated by reference in this contract.
- (f) Contract termination; debarment. A breach of this contract clause may be grounds for termination of the contract and for debarment as a Developer and a subcontractor as provided in 29 C.F.R. § 5.12.
- (g) Compliance with Davis-Bacon and related Act requirements. All rulings and interpretations of the Davis-Bacon and related Acts contained in 29 C.F.R. Parts 1, 3, and 5 are herein incorporated by reference in this contract.
- (h) Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this clause shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 C.F.R. Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the Developer (or any of its subcontractors) and the County, HUD, the U.S. Department of Labor, or the employees or their representatives.

(i) Certification of eligibility.

- i. Notwithstanding the preceding sentence, it is understood by the parties that HUD's approval of the Landlord's disposition application and the mixed finance agreements and documents is not a condition precedent to entering into this Lease or a condition precedent to Tenant's obtaining site control of the Premises.

(b) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "Landlord/Tenant Documents"). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

1. 100% of the units in the Premises will be set aside for occupancy by low, very low and extremely low income households.
2. Except as otherwise provided in the Act, the Premises shall be maintained and operated under the terms and conditions applicable to public housing, as set forth in the Applicable Public Housing Requirements, during the 20-year period that begins on the latest date on which modernization with public housing capital funds is completed, as required by Section 9(d)(3)(B) of the Act (or any successor provision);

(c) The provisions of the Applicable Public Housing Requirements and this Section 5.1 are intended to create a covenant running with the land and, subject to the terms and benefits of the Public Housing Requirements, to encumber and benefit the Premises and to bind for the Term Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including, without limitation, any entity which succeeds to Tenant's interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or instrument in lieu of foreclosure.

(d) In the event of a conflict between the Public Housing Requirements and this Lease, the Public Housing Requirements shall govern.

equipment whose quality is at least equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes.

(b) Except as may otherwise be approved or deemed approved in accordance with the Landlord/Tenant Documents, Tenant shall not make any alteration, improvement, or addition to the Premises having a cost greater than \$50,000, or demolish any portion thereof, without first presenting to Landlord complete plans and specifications therefor and obtaining Landlord's written consent thereto, which consent shall not unreasonably be withheld so long as, in Landlord's reasonable judgment such alteration, improvement, addition or demolition will not violate this Lease or impair the value of the Property. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.

(d) Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

#### 5.5. Ownership of Improvements/Surrender of Premises.

At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

**5.7. Transfer; Conveyance; Assignment.**

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with Applicable Public Housing Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld.

(b) Tenant shall have the right to enter a sublease of any part of the premises (a "Sublease") to an entity that is affiliated with Tenant, without any approval or consent of Landlord, but shall provide notice thereof to Landlord; however, notwithstanding any other provisions of this Lease, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Section 5 or for public, low-income or special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to the Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the Sublessee, for the subleased Premises.

## ARTICLE VI

### CASUALTY AND TAKING

#### 6.1. Casualty.

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant (as determined by Tenant in its sole and absolute discretion), Tenant may cancel this Lease, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes (as determined by Tenant in its sole and absolute discretion) subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes (as determined by Tenant in its sole and absolute discretion) but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

#### 6.2. Taking.

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.10), the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the "Award") will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and,

to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "Total Taking"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the Easement, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Property not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "Partial Taking"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to

the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Effective Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the building and other improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

### 6.3. Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

## ARTICLE VII

### CONDITION OF PREMISES

7.1. Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord may, in its sole discretion, take the steps necessary to cause such objectionable matters to be removed from the title commitment. If Landlord elects not to take such steps, it will so advise Tenant within 20 days of receipt of Tenant's notice, and Tenant shall thereafter have the right to terminate this Lease or to proceed notwithstanding the objectionable title matters.

7.2. No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust,

easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord's fee interest in the Land other than the Permitted Encumbrances. Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or lien in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period.. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.3. Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("Defects"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability, so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

## ARTICLE VIII

### DEFAULTS AND TERMINATION

#### 8.1. Default.

The occurrence of any of the following events shall constitute an event of default (**Event of Default**) hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this

Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called **Bankruptcy Laws**), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

#### 8.2. Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3. Termination. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below:

(a) Tenant fails to cause the Commencement Date to occur within eleven (11) months following the Lease Date.

(b) Tenant and Landlord fail to obtain final approval of this Lease by the Miami-Dade Board of County Commissioners, which shall be within the Board's sole discretion (signature of this Lease by the Landlord shall be *prima facie* evidence of such approval).

(c) Institution of proceedings in voluntary bankruptcy by the Tenant

(d) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of Ninety (90) days or more.

(e) Assignment of Lease by Tenant for the benefit of creditors.

(f) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.

(g) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord with respect to Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such 30 day period).

8.4. Remedies Following Termination. Upon termination of this Lease, Landlord may:

1. retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
2. enforce its rights under any bond outstanding at the time of such termination; and
3. require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.5. Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a **Regulatory Default**), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.6. Performance by Landlord.

If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

8.7. Costs and Damages.

Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

8.8. Remedies Cumulative.

The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for renovation of the Improvements and closed on or about the Commencement Date (the "**Permitted Leasehold Mortgages**"). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a "**Permitted Leasehold Mortgagee**"), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of

default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant's interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord and without HUD's consent, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by the Landlord, pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord; and

(2) Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

(3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

## ARTICLE IX

### SOVEREIGNTY AND POLICE POWERS

#### 9.1. County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

1. The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and
2. The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

#### 9.2. No Liability for Exercise of Police Power.

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

- (i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;
- (ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
- (iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or
- (iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. In the event of a dispute or difference between Landlord and Tenant as to any obligation which either may assert the other is obligated to perform or do, then the party against whom such obligation is asserted shall have the right and privilege to carry out and perform the

10.3. No Waiver.

Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

The headings used for the various articles and sections of this Lease are used only as a matter of convenience for reference, and are not to be construed as part of this Lease or to be used in determining the intent of the parties of this Lease.

10.5. Partial Invalidity.

If any terms, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

10.6. Decision Standards.

In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

### ARTICLE XI

#### RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL

##### 11.1. Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises (**Sales Notice**). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

### 11.2. Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.3. **Mortgagee Rights.** Tenant's rights with respect to any option to purchase the Premises as set forth in this Section 11 shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

## ARTICLE XII

### ADDITIONAL PROVISIONS PERTAINING TO REMEDIES

12.1 Reinstatement. Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

12.2 Notice. Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

12.3 Investor. Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be

a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder.

**12.4 New Managing Member.** Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed 60 days, to replace Tenant's managing member and/or admit an additional managing member and cause the new managing member to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new managing member of Tenant within 30 days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the managing member, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor or the new managing member.

Compliance with the foregoing requirements shall not relieve Tenant of their liability and obligation under this section or under any other section of this agreement

Execution of this Lease is contingent upon the receipt of the insurance documents, as required, within fifteen (15) calendar days after Landlord's notification to Tenant to comply before the award is made. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Lease, the Tenant shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the County. The Tenant hereby agrees that all insurance proceeds from the All Risk Builder Risk Completed Value Form policy (or if converted, the "all risk" or comprehensive policy) shall be used to restore, replace or rebuild the Improvements, if the Tenant determines that it is in its best interest to do so, subject to the requirements of any approved mortgage lien holder's rights secured against the Premises and subject further to the terms of Article VI of the Lease.

(e) All such insurance policies shall contain (i) an agreement by the insurer that it will not cancel the policy without delivering prior written notice of cancellation to each named insured and loss payee thirty (30) days prior to canceling the insurance policy; and (ii) endorsements that the rights of the named insured(s) to receive and collect the insurance proceeds under the policies shall not be diminished because of any additional insurance coverage carried by the Tenant for its own account.

(f) If the Premises is located in a federally designated flood plain, an acceptable flood insurance policy shall also be delivered to the Landlord, providing coverage in the

maximum amount reasonable necessary to insure against the risk of loss from damage to the Premises caused by a flood.

(g) Neither the Landlord nor the Tenant shall be liable to the other (or to any insurance company insuring the other party), for payment of losses insured by insurance policies benefiting the parties suffering such loss or damage, even though such loss or damage might have been caused by the negligence of the other party, its agents or employees.

Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Landlord or its officers, employees, agents and instrumentalities as herein provided..

4.2. Landlord's Environmental Responsibility and Representations.

(a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any

time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.

(b) Landlord represents and warrants to Tenant that, as of the date hereof:

(c) except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;

(d) except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises (**Environmental Cleanup Work**) in order to comply with any Environmental Laws;

(e) except as may be referenced in the Environmental Assessments, no notice from any governmental authority or any person has ever been served upon Landlord, its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither Landlord, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and

(f) except as may be referenced in the Environmental Assessments, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

#### 4.3. Liens.

Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of the Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL EITHER (A) PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW OR (B) TRANSFER SUCH LIEN TO BOND WITHIN NINETY (90) DAYS FOLLOWING THE FILING THEREOF. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE

TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.

(b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, whether due to the actions of Tenant or any person other than Landlord, against the Premises.

(c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant hereby indemnifies Landlord for any such liability or penalty. Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall immediately pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after five (5) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.

(d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

#### 4.4. Insurance Requirements.

Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit B.

### ARTICLE V

#### USE OF PREMISES; COVENANTS RUNNING WITH THE LAND

##### 5.1. Use; Covenants.

(a) Tenant and Landlord agree that Tenant shall construct or rehabilitate multifamily residential housing for low-income, family, elderly, disabled, special needs or other population acceptable to the County on the Land after HUD's approval of Landlord's disposition application and all applicable mixed-finance agreements and documents, Notwithstanding the preceding sentence, it is understood by the parties that HUD's approval of the Landlord's disposition

application and the mixed finance agreements and documents is not a condition precedent to entering into this Lease or a condition precedent to Tenant's obtaining site control of the Premises.

(b) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "Landlord/Tenant Documents"). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

1. 100% of the units in the Premises will be set aside for occupancy by low, very low and extremely low income households.
2. Except as otherwise provided in the Act, the Premises shall be maintained and operated under the terms and conditions applicable to public housing, as set forth in the Applicable Public Housing Requirements, during the 20-year period that begins on the latest date on which modernization with public housing capital funds is completed, as required by Section 9(d)(3)(B) of the Act (or any successor provision);
3. Except as otherwise provided in the Act, no portion of the Premises may be disposed of before the expiration of the 10-year period beginning upon the conclusion of the fiscal year for which such amounts were provided, as required by Section 9(e)(3) of the Act (or any successor provision);
4. Neither the Premises, nor any part thereof, may be demolished other than in accordance with the Applicable Public Housing Requirements.

Notwithstanding the foregoing, prior to the Commencement Date, the Tenant agrees that Landlord shall have a continued right of entry onto the Premises for the purposes of the Landlord's continued operation of the Improvements and maintenance of the Property during the period prior to the Commencement Date. Landlord shall, during this period, continue to operate the Improvements in the manner in which Landlord has operated them prior to the Lease Date and shall be responsible for all aspects of maintaining, leasing, operating, insuring and administering the Premises. If, prior to the Commencement Date, the Premises is destroyed or damaged, or becomes subject to a taking by virtue of eminent domain, to any extent whatsoever, Tenant may, in its sole discretion, terminate this Lease by written notice to the Landlord, whereupon neither party hereto shall have any further rights or obligations hereunder.

(c) The provisions of the Applicable Public Housing Requirements and this Section 5.1 are intended to create a covenant running with the land and, subject to the terms and benefits of the Public Housing Requirements, to encumber and benefit the Premises and to bind for the Term Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including, without limitation, any entity which succeeds to Tenant's interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or instrument in lieu of foreclosure.

(d) In the event of a conflict between the Public Housing Requirements and this Lease, the Public Housing Requirements shall govern.

## 5.2. Residential Improvements.

(a) Tenant shall construct the Improvements on the Land in conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the Landlord/Tenant Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises) all at its sole cost and expense, in accordance with (i) the Landlord/Tenant Documents and (ii) any mortgage encumbering the Tenant's leasehold estate, in a good and workmanlike manner, with new materials and equipment whose quality is at least equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the Plans and Specifications unless authorized in accordance with the Landlord/Tenant Documents or otherwise approved by Landlord in writing and in advance.

## 5.3. Tenant's Obligations.

(a) Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes.

(b) Except as may otherwise be approved or deemed approved in accordance with the Landlord/Tenant Documents, Tenant shall not make any alteration, improvement, or addition

to the Premises having a cost greater than \$50,000, or demolish any portion thereof, without first presenting to Landlord complete plans and specifications therefor and obtaining Landlord's written consent thereto, which consent shall not unreasonably be withheld so long as, in Landlord's reasonable judgment such alteration, improvement, addition or demolition will not violate this Lease or impair the value of the Property. Landlord/Tenant Documents.

5.4. Compliance with Law.

(a) Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws, ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.

(b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:

(c) Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.

(d) Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

5.5. Ownership of Improvements/Surrender of Premises.

At all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free

of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease.

5.6. Easements.

Landlord agrees that Landlord shall not unreasonably withhold or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

5.7. Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with Applicable Public Housing Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld.

(b) Tenant shall have the right to enter a sublease of any part of the premises (a "Sublease") to an entity that is affiliated with Tenant, without any approval or consent of Landlord, but shall provide notice thereof to Landlord; however, notwithstanding any other provisions of this Lease, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Section 5 or for public, low-income or special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to the Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the Sublessee, for the subleased Premises.

(d) Notwithstanding any prohibition on assignment of this Lease contained herein, Tenant shall have the right, without obtaining Landlord's prior written consent, to assign this Lease and all of the rights, obligations and benefits afforded to or imposed upon Tenant hereunder, to a limited liability company whose managing member is wholly-owned by Tenant. Tenant will provide a copy of any such assignment to Landlord.

## ARTICLE VI

### CASUALTY AND TAKING

#### 6.1. Casualty.

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant (as determined by Tenant in its sole and absolute discretion), Tenant may cancel this Lease, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes (as determined by Tenant in its sole and absolute discretion) subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes (as determined by Tenant in its sole and absolute discretion) but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

#### 6.2. Taking.

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.9), the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the "Award") will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "Total Taking"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the Easement, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Property not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "Partial Taking"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision

herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Effective Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the building and other improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

### 6.3. Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

## ARTICLE VII

### CONDITION OF PREMISES

7.1. Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way

limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall advise Landlord as to any title matters that Tenant deems objectionable and Landlord may, in its sole discretion, take the steps necessary to cause such objectionable matters to be removed from the title commitment. If Landlord elects not to take such steps, it will so advise Tenant within 20 days of receipt of Tenant's notice, and Tenant shall thereafter have the right to terminate this Lease or to proceed notwithstanding the objectionable title matters.

7.2. No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord's fee interest in the Land other than the Permitted Encumbrances. Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or lien in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.3. Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("Defects"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability, so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable

inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

## ARTICLE VIII

### DEFAULTS AND TERMINATION

#### 8.1. Default.

The occurrence of any of the following events shall constitute an event of default (***Event of Default***) hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called ***Bankruptcy Laws***), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or

proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismitted, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

#### 8.2. Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3. Termination. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below:

(a) Tenant fails to cause the Commencement Date to occur within eleven (11) months following the Lease Date.

(b) Tenant and Landlord fail to obtain final approval of this Lease by the Miami-Dade Board of County Commissioners, which shall be within the Board's sole discretion (signature of this Lease by the Landlord shall be *prima facie* evidence of such approval).

- (c) Institution of proceedings in voluntary bankruptcy by the Tenant
- (d) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of Ninety (90) days or more.
- (e) Assignment of Lease by Tenant for the benefit of creditors.
- (f) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.
- (g) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord with respect to Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such 30 day period).

8.4. Remedies Following Termination. Upon termination of this Lease, Landlord may:

1. retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and
2. enforce its rights under any bond outstanding at the time of such termination; and
3. require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

8.5. Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a **Regulatory Default**), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management

agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

8.6. Performance by Landlord.

If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

8.7. Costs and Damages.

Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses (including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

8.8. Remedies Cumulative.

The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

8.9 Permitted Leasehold Mortgages.

Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for renovation of the Improvements and closed on or about the Commencement Date (the "**Permitted Leasehold Mortgages**"). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a "**Permitted Leasehold Mortgagee**"), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming

itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant's interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord and without HUD's consent, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by the Landlord, pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord; and

(2) Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

(3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

## ARTICLE IX

### SOVEREIGNTY AND POLICE POWERS

#### 9.1. County as Sovereign

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

1. The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and

development of the Premises or the operation thereof, or be liable for the same; and

2. The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

9.2. No Liability for Exercise of Police Power.

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

- (i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;
- (ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
- (iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or
- (iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, the Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

## ARTICLE X

### MISCELLANEOUS

#### 10.1. Construction.

Landlord and Tenant agree that all the provisions hereof are to be construed as covenants and agreements as though the words importing such covenants and agreements were used in each separate section thereof.

#### 10.2. Performance Under Protest.

In the event of a dispute or difference between Landlord and Tenant as to any obligation which either may assert the other is obligated to perform or do, then the party against whom such obligation is asserted shall have the right and privilege to carry out and perform the obligation so asserted against it without being considered a volunteer or deemed to have admitted the correctness of the claim, and shall have the right to bring an appropriate action at law, equity or otherwise against the other for the recovery of any sums expended in the performance thereof and in any such action, the successful party shall be entitled to recover in addition to all other recoveries such reasonable attorneys' fees as may be awarded by the Court.

#### 10.3. No Waiver.

Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

#### 10.4. Headings.

The headings used for the various articles and sections of this Lease are used only as a matter of convenience for reference, and are not to be construed as part of this Lease or to be used in determining the intent of the parties of this Lease.

#### 10.5. Partial Invalidity.

If any terms, covenant, provision or condition of this Lease or the application thereof to any person or circumstances shall be declared invalid or unenforceable by the final ruling of a court of competent jurisdiction having final review, the remaining terms, covenants, provisions and conditions of this Lease and their application to persons or circumstances shall not be affected thereby and shall continue to be enforced and recognized as valid agreements of the

parties, and in the place of such invalid or unenforceable provision there shall be substituted a like, but valid and enforceable, provision which comports to the findings of the aforesaid court and most nearly accomplishes the original intention of the parties.

10.6. Decision Standards.

In any approval, consent or other determination by any party required under any provision of this Lease, the party shall act reasonably, in good faith and in a timely manner, unless a different standard is explicitly stated.

10.7. Bind and Inure.

Unless repugnant to the context, the words **Landlord** and **Tenant** shall be construed to mean the original parties, their respective successors and assigns and those claiming through or under them respectively. The agreements and conditions in this Lease contained on the part of Tenant to be performed and observed shall be binding upon Tenant and its successors and assigns and shall inure to the benefit of Landlord and its successors and assigns, and the agreements and conditions in this Lease contained on the part of Landlord to be performed and observed shall be binding upon Landlord and its successors and assigns and shall inure to the benefit of Tenant and its successors and assigns. No holder of a mortgage of the leasehold interest hereunder shall be deemed to be the holder of said leasehold estate until such holder shall have acquired indefeasible title to said leasehold estate.

10.8. Estoppel Certificate.

Each party agrees from time to time, upon no less than fifteen (15) days' prior notice from the other or from any Permitted Leasehold Mortgagee, to execute, acknowledge and deliver to the other, as the case may be, a statement certifying that (i) this Lease is unmodified and in full force and effect (or, if there have been any modifications, that the same is in full force and effect as modified and stating the modifications), (ii) the dates to which the Rent has been paid, and that no additional rent or other payments are due under this Lease (or if additional rent or other payments are due, the nature and amount of the same), and (iii) whether there exists any uncured default by the other party, or any defense, offset, or counterclaim against the other party, and, if so, the nature of such default, defense, offset or counterclaim.

10.9. Recordation.

Simultaneously with the delivery of the Lease the parties have delivered a memorandum, notice or short-form of this Lease or this Lease which Tenant shall record in the appropriate office of the Public Records of Miami-Dade County. If this Lease is terminated before the Term expires, the parties shall execute, deliver and record an instrument acknowledging such fact and the date of termination of this Lease.

10.10. Notice.

Any notice, request, demand, consent, approval, or other communication required or permitted under this Lease shall be in writing, may be delivered on behalf of a party by such party's counsel, and shall be deemed given when received, if (i) delivered by hand, (ii) sent by registered or-certified mail, return receipt requested, or (iii) sent by recognized overnight delivery service such as Federal Express, addressed as follows:

10.12. Amendment.

This Lease may be amended by mutual agreement of Landlord and Tenant, provided that all amendments must be in writing and signed by both parties and that no amendment shall impair the obligations of Tenant to develop and operate the Premises. Tenant and Landlord hereby expressly stipulate and agree that, they will not modify this Lease in any way nor cancel or terminate this Lease by mutual agreement nor will Tenant surrender its interest in this Lease, including but not limited to pursuant to the provisions of Section 6.3, without the prior written consent of all Permitted Leasehold Mortgagees and, following the admission of the Investor, the Tenant's Investor. No amendment to or termination of this Lease shall become effective without all such required consents. Tenant and Landlord further agree that they will not, respectively, take advantage of any provisions of the United States Bankruptcy Code that would result in a termination of this Lease or make it unenforceable.

The parties hereto expressly declare that, in connection with the activities and operations contemplated by this Lease, they are neither partners nor joint venturers, nor does a principal/agent relationship exist between them.

10.15. Access.

Tenant agrees to grant a right of access to the Landlord or any of its authorized representatives, with respect to any books, documents, papers, or other records related to this Lease in order to make audits, examinations, excerpts, and transcripts until 3 years after the termination date of this Lease.

10.16. Radon Gas.

Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your county public health unit.

10.17. Non-Merger.

Except upon expiration of the Term or upon termination of this Lease pursuant to an express right of termination set forth herein, there shall be no merger of either this Lease or Tenant's estate created hereunder with the fee estate of the Premises or any part thereof by reason of the fact that the same person may acquire, own or hold, directly or indirectly, (a) this Lease, Tenant's estate created hereunder or any interest in this Lease or Tenant's estate (including the Improvements), and (b) the fee estate in the Premises or any part thereof or any interest in such fee estate (including the Improvements), unless and until all persons, including any assignee of Landlord and, having an interest in (i) this Lease or Tenant's estate created hereunder, and (ii) the fee estate in the Premises or any part thereof, shall join in a written instrument effecting such merger and shall duly record the same.

**ARTICLE XI**

**RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL**

11.1. Landlord's Intent to Market Premises.

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises (**Sales Notice**). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in

the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property, subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

#### 11.2. Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.3. Mortgagee Rights. Tenant's rights with respect to any option to purchase the Premises as set forth in this Section 11 shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

## ARTICLE XII

### ADDITIONAL PROVISIONS PERTAINING TO REMEDIES

12.1 Reinstatement. Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

12.2 Notice. Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

12.3 Investor. Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder.

12.4 New Managing Member. Notwithstanding anything to the contrary contained in the Lease, Landlord agrees that it will take no action to effect a termination of the Lease by reason of any Event of Default or any other breach or default without first giving to the Investor reasonable time, not to exceed 60 days, to replace Tenant's managing member and/or admit an additional managing member and cause the new managing member to cure the Event of Default or other breach or default; provided, however, that as a condition of such forbearance, Landlord must receive notice from the Investor of the substitution or admission of a new managing member of Tenant within 30 days following Landlord's notice to Tenant and the Investor of the Event of Default or other breach or default, and Tenant, following such substitution or admission of the managing member, shall thereupon proceed with due diligence to cure such Event of Default or other breach or default. In no event, however, shall Landlord be required to engage in the forbearance described in this section for a period longer than six (6) months, regardless of the due diligence of the Investor or the new managing member.

Compliance with the foregoing requirements shall not relieve Tenant of their liability and obligation under this section or under any other section of this agreement

Execution of this Lease is contingent upon the receipt of the insurance documents, as required, within fifteen (15) calendar days after Landlord's notification to Tenant to comply before the award is made. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Lease, the Tenant shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the County. If the Tenant fails to submit the required insurance documents in the manner prescribed in this Lease within twenty (20) calendar days after Landlord's notification to comply, it shall be an Event of Default pursuant to the Lease.

The Tenant shall be responsible for assuring that the insurance certificates required in conjunction with this Exhibit remain in force for the duration of the Term of the Lease, including any and all option years or extension periods that may be granted by the Landlord. If insurance certificates are scheduled to expire during the Term, the Tenant shall be responsible for submitting new or renewed insurance certificates to the Landlord at a minimum of thirty (30) calendar days in advance of such expiration. In the event that expired certificates are not replaced with new or renewed certificates which cover the contractual period, the Landlord shall provide thirty (30) days written notice to Tenant to cure the noncompliance. (d) The "All Risk Builder's Risk Completed Value Form" policy with respect to the Premises shall be converted to an "all risk" or comprehensive insurance policy upon completion of the Improvements, naming Landlord as an additional insured thereunder and shall insure the Project in an amount not less than the full insurable replacement value of the Premises. The Tenant hereby agrees that all insurance proceeds from the All Risk Builder Risk Completed Value Form policy (or if converted, the "all risk" or comprehensive policy) shall be used to restore, replace or rebuild the Improvements, if the Tenant determines that it is in its best interest to do so, subject to the requirements of any approved mortgage lien holder's rights secured against the Premises and subject further to the terms of Article VI of the Lease.

(e) All such insurance policies shall contain (i) an agreement by the insurer that it will not cancel the policy without delivering prior written notice of cancellation to each named insured and loss payee thirty (30) days prior to canceling the insurance policy; and (ii) endorsements that the rights of the named insured(s) to receive and collect the insurance proceeds under the policies shall not be diminished because of any additional insurance coverage carried by the Tenant for its own account.

(f) If the Premises is located in a federally designated flood plain, an acceptable flood insurance policy shall also be delivered to the Landlord, providing coverage in the

maximum amount reasonable necessary to insure against the risk of loss from damage to the Premises caused by a flood.

(g) Neither the Landlord nor the Tenant shall be liable to the other (or to any insurance company insuring the other party), for payment of losses insured by insurance policies benefiting the parties suffering such loss or damage, even though such loss or damage might have been caused by the negligence of the other party, its agents or employees.
